You Have the Power to Change Your Community:
The Impact and Fight for the Right to Vote!

Fannie Lou Hamer was a civil rights activist who helped African Americans register to vote and who co-founded the Mississippi Freedom Democratic Party.

Hamer dedicated her life to the fight for civil rights, working for the Student Nonviolent Coordinating Committee. During the course of her activist career, Hamer was threatened, arrested, beaten, and shot at. She was severely injured in 1963 in a Winona, Mississippi jail.

In 1964, Hamer helped found the Mississippi Freedom Democratic Party. She brought the civil rights struggle in Mississippi to the attention of the entire nation during a televised session at the convention.
